WHEN SHOULD I CALL 9-1-1?

Morgan Hill Police employees are often asked when it is appropriate to call 9-1-1. Some residents have told us they are reluctant or unsure when to use the 9-1-1 system. We hope these guidelines will help you know when to call 9-1-1.

When you should call 9-1-1

The 9-1-1 system is an efficient, speedy, one-stop way of quickly notifying the police, fire department or ambulance of an emergency or urgent matter when an immediate response is necessary. For example, if you see or wish to report a fire, traffic accident or crime that just occurred, call 9-1-1. If you see a suspicious person in your neighborhood or someone unfamiliar to you sitting in a car for a period of time call 9-1-1. You might just prevent a burglary or other crime.

If you see or hear any type of disturbance such as people screaming, making threats or actually hurting each other call 9-1-1. If you hear suspicious noises or you think someone is trying to get into your home or car call 9-1-1. If you arrive home and find a window or door open you know was closed when you left, or if you find signs of forced entry, do not go inside. Go to a neighbor's home and call 9-1-1.

If someone is having a medical emergency such as a heart attack, difficulty breathing, chest pains, stroke, severe bleeding, broken bones due to a fall or other accident in the home, business or outside, do not delay. Call 9-1-1.

During Disasters

During times of natural or man-made disasters such as earthquakes, severe storms or fires call 9-1-1 if you feel you are in immediate danger or if you wish to report an emergency situation where lives or property are at risk. Please use some discretion as these are times when our emergency services are stretched to the limit. Additional staff are called in quickly, however, so that the best service possible can be provided. If you are not in immediate danger and simply need information or have a very minor problem, it is best to rely on neighbors, your television, or your battery-powered radio. You may also call the Police Department's 24-hour business number at 779-2101.

When Not to Call 9-1-1

If you wish to report a traffic accident or crime that happened several hours ago, yesterday, last week or some other previous time, please call the Police Department business number, 779-2101. Do not call 9-1-1.

Special Guidelines for Cell Phone Calls

When using a cell phone in and around Morgan Hill your 9-1-1 call may be answered by a California Highway Patrol dispatcher in Vallejo or Salinas. Once they determine your location and what the problem is they will quickly transfer your call to the appropriate dispatch center. So, know your location. Some cell phone services such as Sprint and ATT now connect directly to the Morgan Hill Police Dispatch Center if you are calling from within the city. But even those services may direct certain calls to the Highway Patrol if you are on or very near a freeway. As an alternative, you may wish to pre-program your cell phone's speed dial with the Morgan Hill Police Department's 24 hour business number, 779-2101

We want you to call when you need public safety services, and we want to serve you efficiently. We hope this information helps you to know when to use the 9-1-1 emergency telephone system.

Grants for Community Services Available to Non-Profit Agencies

Non-profit agencies may apply now for grants to provide community services in Morgan Hill. The funding is provided through the Community Development Block Grant (CDBG) Program, which was created by the Housing and Community Development Act of 1974.

To qualify for a CDBG grant, the service, sponsored by a non-profit agency, must benefit low and very-low income persons, eliminate slums or blight, and meet an urgent community need such as the threat to a community's health or welfare for which no other funds are available. Applications for a CDBG grant are due no later than 5 pm on February 16, 2005.

A wide variety of housing and housing-related activities have been funded nationally, including construction of new affordable housing units, rehabilitation of existing housing units which then become affordable if not owner-occupied, construction of neighborhood centers, removal of architectural barriers for the elderly and the disabled, fair housing services and other public services.

In Morgan Hill, CDBG grant funds have been used for youth tutoring programs, after-school activities, a crisis hotline, and investigation and mediation services for seniors living in residential facilities.

For more information or to request an application, contact Teresa Crue by calling 776-7373.

Flowery Praise for Johnson Lumber

The City extends its heartfelt thanks to Johnson Lumber for sponsoring this year's daffodil bulb giveaway. In addition to purchasing the initial supply of 2,000 bulbs, Johnson hosted the event and supported customers in planning their planting. Think of them next month when all of those daffodils are spreading cheer throughout the City and please offer your thanks directly when visiting their store.

The City also thanks those of you who the planted bulbs that will soon beautify the dreary winter landscape. After they bloom, please remember to let the foliage die completely back before cutting them down in order to ensure a delightful bloom next year too. If possible, daffodils prefer dry soil throughout the summer in order to avoid bulb rot.

For those of you who missed out this year, the City and Johnson Lumber plan to repeat and expand the event next year. Watch *City Connection* in the Fall for specific information.

November 2, 2004 Local Municipal Election Results

On Tuesday, November 2, 2004, registered voters in the City of Morgan Hill elected Dennis Kennedy as Mayor, and Larry Carr and Mark Grzan as Council Members. Irma Torrez was elected City Clerk and Michael J. Roorda was elected City Treasurer.

The City Council certified the election results on Wednesday, December 1, 2004, and all newly elected officials were sworn into office. The Council also thanked outgoing Council Member Hedy L. Chang for eight years of dedicated service to the City and the citizens of Morgan Hill.

Detailed election results are available at the Santa Clara County Registrar of Voters website, www.sccgov.org/scc/assets/docs/rov_nov_election.html

Congratulations to all candidates!

State of the City Address

The Morgan Hill community is invited to Mayor Dennis Kennedy's State of the City address on Monday, January 31, 2005 at 7 pm. It will be held in the El Toro Room of the Community and Cultural Center, located at 17000 Monterey Road. Learn what's new in Morgan Hill and with your city government. Light refreshments will be served.

Water Rate Increases Effective in January

Morgan Hill water customers will see two increases on their January 2005 water bill. These increases are part of a series of increases that will occur through 2007 in order to meet the increasing costs of operating the water system, capital improvements to the water system, debt service and perchlorate treatment costs.

Effective January 1, 2005 water rates will be increased across-the-board by 2%. For example, the base charge for residential customers on a 5/8" meter will increase from \$5.10 per month to \$5.20 per month. The rate for one unit of water (748 gallons) will increase from \$0.99 to \$1.01. In addition, low income discounts also increase by two percent to \$3.13.

Water customers currently are billed a 5% surcharge on total water fees each month. These funds are collected to help offset the cost for perchlorate treatment. Effective January 1, 2005, the surcharge will increase to 10% per month. This surcharge is applied to water charges only and is not applied to sewer or lift station charges. The City is pursuing legal action related to perchlorate contamination and ratepayers may be reimbursed at a future date.

For more information regarding water and sewer rates, please contact our Utility Billing Department at 779-7221.

Winter Car Safety

With the change in seasons, many of our residents like to warm up cold cars in the morning. Although warm-ups make cars comfortable for the driver, they also make cars an easy target for auto theft. Last year, ninety-eight vehicles were stolen within Morgan Hill.

The Police Department encourages residents to avoid leaving cars unlocked with keys in the ignition during the winter months. Don't invite a thief into your car!

Reporting a City Street Light Problem

Streetlights are important for public safety. If you notice a streetlight that is flickering, burned out, or otherwise not operating properly, let us know! Here's how to report a street light problem.

First, gather the following information:

- Pole number (if available). The number is usually one to four digits and it is found about seven feet up from the bottom of the pole
- Nearest address of pole (if no address available, then the best description of the location of the pole including street name and cross street name)
- Note whether the pole is metal or wood

Problems with streetlights in the downtown or in City parks should be reported by calling the Public Works Department at 776-7337 or by completing a form online at www.morgan-hill.ca.gov/html/contact/inquiry.asp.

Problems with streetlights in any other part of town can be reported by calling PG&E at (800) 743-5000 or online at www.PGE.com. Reporting online will generate a help ticket number that you can use to track your work request.

Typically, streetlights are repaired within 4 to 10 working days.

Classroom Supplies Needed

Many local teachers provide classroom supplies at their own expense as budget cuts have steadily eroded supply budgets. And, while teachers could receive a tax credit for this in the past, this is no longer the case.

The Teacher's Aid Coalition was founded to help public school teachers provide students with the classroom supplies they need. Items such as photocopy paper, writing materials, felt pens, Kleenex, folders and other such common supplies are all needed. You may donate these items at Dr. Jon Hatakeyama's office, located at 370 W. Dunne Avenue, Suite 3, during normal business hours.

For more information about the Teacher's Aid Coalition please contact Roger Beaulieu at 779-5308.

SKYHAWKS HAWK SOLUTIONS

These new programs are being offered by Hawk Solutions, the new year-round division of Skyhawks. All Hawk Solutions sports programs emphasize fundamental skill development by utilizing small group activities and games in a fun and positive environment. The multi-sport program consists of Soccer, Baseball, and Basketball. This fast-paced program is designed to teach the basic skills in a fun and enjoyable atmosphere. Participants are challenged in each of the activities by structured exercises and fun games. All of our programs utilize

Skyhawks certified coaches. We will be offering the multi-sport programs for 3 different age groups. Instructors:

All Hawk Solutions programs utilize Skyhawks Certified Professional Coaches.

Each professional coach is carefully screened prior to employment and must successfully complete a personal interview and criminal background investigation as well as classroom and field training sessions. Professional coaches are specifically trained to communicate with participants on an eye-to-eye level while developing motor skills and general sports skills. With low coach to participant ratios, young athletes will be encouraged to learn and have fun.

With a combination of cardiovascular conditioning, toning techniques, and strengthening exercises this class will provide you with a total body workout minus the impact effect from hard surfaces. Aqua socks or tennis shoes are recommended.

Deep H2O Dynamics: This class is designed for more proficient swimmers and is taught in 7 ft of water. Deep water aerobics with the assistance of cuffs and hand buoys will increase flexibility, strength, cardiovascular endurance, balance, and motor coordination in a non-impact environment.

Great News! We are introducing a monthly membership with unlimited use. This allows you to come to as many classes as you want for one low fee. Take advantage of this great offer NOW...

Keep an eye out for our great **Group Swim Lessons** in the Summer *City Connection*

Private Swim Lessons for any age or ability are going to be available starting March 1st and will end on May 31st. Parent participation may be required for children under 3. Instruction is geared towards the individual's ability. Private lessons are set up for one student per instructor. Any of the packages listed below can be used by other family members, friends, or neighbors. For example if you purchase the 8 Lesson Package then you could use 4 of those lessons for one student and the last 4 lessons for a different student. *Purchases of any package do have to be paid in full before a schedule can be set up.* Call 782-2134 ext 712 for availability and to schedule your lessons.

Private Swim Lessons:

	Fee	Discounted Price per lesson
Single ½ Hour Lesson	\$30	
8 Lesson Package	\$216	\$27
16 Lesson Package	\$384	\$24
32 Lesson Package	\$672	\$21

Semi-Private Lessons for any age or ability are going to be available starting March 1st and will end on May 31st. Parent participation may be required for children under 3. Instruction is geared towards the individual's ability. Semi-Private lessons are set up for two students per instructor. If your student does not have a swim partner, the Aquatics Center will pair students up based on ability and age. Any of the packages listed below can be used by other family members, friends, or neighbors. For example if you purchase the 8 Lesson Package then you could use 4 of those lessons for one student and the last 4 lessons for a different student. *Purchases of any package do have to be paid in full before a schedule can be set up.* Call 782-2134 ext 712 for availability and to schedule your lessons.

Semi-Private Lessons:

	Fee	Discounted Price per lesson
Single ½ Hour Lesson	\$17.50	
8 Lesson Package	\$126	\$15.75
16 Lesson Package	\$224	\$14.00
32 Lesson Package	\$392	\$12.25

** All Semi-Private Lesson prices are per individual

To help us avoid unnecessary pool closures, it is our standard that all children under the age of 3 years wear a swim diaper. Swim Diapers will be available for sale at the AQUATICS CENTER.

Aquatic Personal Training

Personalized programs for the novice to the advanced individual, Aquatic Personal Training will be available starting in February. This program is for anyone looking to challenge and improve their health, fitness, endurance, strength, and flexibility through both aerobic and anaerobic training. Aquatic Personal Training is a one on one workout with a certified personal trainer. Together with your trainer you will work on setting and completing personal goals, growth, the way to a healthier lifestyle, and how to maintain it. Call the Aquatics Center for further details or to set up a schedule.

Aquatic Personal Training Fee: \$40 per hour
